SEMINARS & TELESUMMITS

Lisa's work is amazing. I took her prosperity workshop, and in the following 12 months doubled my income without making any changes to my business nor increasing my marketing efforts ... This year I was just as busy during my "slow" season as my busy one! ~ **PB, San Francisco**

Lisa Barnett's Transform Your Limiting Money Beliefs is life changing ... It includes many powerful tools to easily use in everyday life. I am shifting money blocks, and changing my perceptions. Just after doing the first two recordings I got a new client and a potential sweet deal for my book. ~ **Jen D.**

Amazingly, I have already had a manifestation of financial abundance. I do legal support which I get paid for by the hour and business has been very slow all year but has dramatically increased in the past two weeks (and normally holiday time is slow). So I am very excited about this and see it as a result of your course! ~ **Renee**

At times I forgot it was about money! Because the healing became such a central focus. I sense this has gone a long way toward dealing with money issues and I look forward to revisiting the exercises. ~ **Tim, Australia**

No words can describe this feeling of love and completion...except my tears of joy every time I connect into the Akashic Record. I start to feel Love, Love and more Love along with tears of joy. I feel the Oneness. ~ **Rakesh G.**

Through Lisa's class and techniques, you really can learn how to increase the natural ability we all have and access divine knowledge. ~ **Kim**

I am medical doctor from Republic of Georgia and your energy touched me even here. I am really blessed that I had this amazing call today. Thank you so much for helping people like me who need support and help. ~ **David**
