Each individual is unique in their process to become a teacher and we will follow the guidance the Akashic Lords. Many potential ASKW teachers have studied with other organizations or teachers. Please include all classes that you have taken with these teachers and how long you have been working with the Records, etc. Your previous experience will be considered and honored in an ongoing desire to unite all students who are dedicated in their studies of the Akashic Record and fulfilling their mission as Light Bearers of the Akashic vibration on the planet.
